

## Will SAJFA attend the AERO-MOTO WEEKEND in Poprad?

**DEMÄNOVSKÁ DOLINA (June 16, 2011) – Strong engines, acrobatic aviators and days full of fun – this is a 2-day show, which takes place the last weekend in June in Poprad. The main part of the summer season in the High Tatras will be launched on the airport in Poprad on 25<sup>th</sup>-26<sup>th</sup> June 2011 with an event called AERO-MOTO WEEKEND. The best in the aerial and motor world will arrive under the peaks of the Tatras. Maybe the event will be hosted by the original, entertaining Matej SAJFA Cifra...**

Do you think that it is impossible to launch the season in an unusual way? Mistake...

Already the next weekend, 25<sup>th</sup>-26<sup>th</sup> June, the sky above the Tatras will be conquered by the best known in the aerial world. It will be the largest aerial show of the year, which will also be an informal launch of the summer season of the cableways and attractions in the High Tatras.

Matej SAJFA Cifra will take care of the entertainment at the event. Because of the fact, that SAJFA is more of a marathon specialist than an aviator, the show will be presented by the chief of Red Bull Air Race jury, Mr. Stanislav Bajzík. Mr. Bajzík is a member of Poprad Aeroclub, and together with the Poprad airport and Tatry mountain resorts also the main organizer of the event.

Interesting programme is prepared for the visitors. The legend of the aerial acrobacy, Péter Besenyei, the founder of the famous Red Bull Air Race, which is the parallel to F1 in air force, will perform his aerial art. The group acrobatic flying will be performed by the acrobatic team The Flying Bulls. This group is very well known in the world and will have the Slovak premiere under the Tatras. The Flying Bulls are booked two years in advance.

The breath of history will bring to Poprad the 4-engine airplane Douglas DC-6B with a very interesting history background. Its history reaches to Josip Tito, who had remade the plane into a luxury plane for himself and his noble guests. Its current history is connected with another African state, Namibia, where the DC-6 was used for sightseeing flights.

The Slovak army will represent the Slovak Republic with the biggest attraction – Mig -29 and the gunship. The visitors will be able to watch skydivers' jumps, rescue action of firemen, as well as the Aerial rescue services. The demonstration of the helicopters' rides, transport and sport aircrafts, gliders and glider acrobatics by domestic matador Slavomír Medvec will not be missing at the event.

The performance of 15 car brands will delight the moto fans. For the motohistory lovers the old-timers also take part at the event with real jewels.

The singer Zuzana Smatanová, as well as bands MAGIC SEVEN, BLUE CAT and CITY will perform at the event.

Additional attractions, catering, and rich raffle are prepared for children. Each entry ticket is also an entry to raffle, where you can win the flight tickets from CSA Company, flight ticket for sightseeing flights, cars for weekend, RayBan sunglasses, and much more.

The organizers assured sufficient number of parking places near to airport and shuttle transportation by double-decker with the start stop at the bus station in Poprad with regular scheduled trips.

Let's see if SAFJA attends....
