

## Christmas gift for High Tatras – the new cable car and almost 3 km of slopes

**TATRANSKÁ LOMNICA (22nd of December 2011) – Less than four months were just enough that the new 8 seated cable car with blue bubbles and new slopes with artificial snow up system close to it grew up in Tatranska Lomnica. 7 million Euros investment will be in operation from Christmas, from Friday the 23<sup>rd</sup> of December 2011. The people from Tatras will get their first Christmas present in advance.**

The second most important ski resort in Slovakia and high-tatras number one became from Tatranska Lomnica in the past years. The three new cable cars with the capacity almost 7 400 persons per hour and artificially snowed up area of 9 km have been built in the resort. The latest tatras news is the 8 seated cable car, situated in the lower part of the resort in location Bukova hora. There was new record made in Tatras as from launching into the operation of the new cable car passed only 4 months.

The 8 seated cable car will attract the skiers by the blue color protecting shields. Thanks to black upholstery and blue bubbles is the cable car very elegant. It is the second shortest removable cable car in Slovakia. The transport time is only 2 minutes and 17 seconds at a speed of 5 m per second.

*„Tatranská Lomnica is becoming the most popular for families with children thanks to the offer of wide, blue slopes and our new cable car is ideal for families thanks to the new security features“*,Bohuš Hlavatý said, Chairman of the TMR.

Special Kidstop system prevents restless little skiers in an uncontrolled movements, therefore the higher security when transporting the children is guaranteed.

There are also new ski slopes with professional artificial snow up system with a length of 2.7 km in the resort. Tatranska Lomnica duplicated its artificial snowed up slope area with snow guarantee by this.

There will be taking place a symbolic baptism in the first day of official operation. Godparents of the new blue cable car can be anybody. The opening and the baptism will take place on Friday the 23<sup>rd</sup> of December in the morning at 8.30 and the godparents can be all skiers, who will be wearing at least one visible piece of blue clothing. All godparents will on the picture together with the new cable car and these pictures will be placed on facebook and webpage of the resort.
